

# The 2009 ICON Award Finalists

**THE ICON AWARDS GALA**, sponsored by *Confetti* magazine, honors the best and brightest professionals in the special events industry. Since 1999, individuals and companies involved in the production of special events in Colorado have been invited to submit entries of their most outstanding achievements during a specified period of time. The entries for 2009 were then considered by judges in Aspen—David O. Marlow, David O. Marlow Photography; Jill St. John, actress; and Peter Helburn, Just Ask Peter + Company, Aspen event planner—who chose the finalists based on creativity, originality and overall integration of elements and execution of an event or service. • Mark your calendar today for the 10th annual ICON Awards Gala slated for Thursday, Feb. 26, at the Donald R. Seawell Grand Ballroom in the Denver Center for the Performing Arts. This year's gala, where the winners will be announced, features the theme "An Evening of Excess" and is sure to impress. Congratulations to all the finalists, and we look forward to saluting them at the 2009 Gala!
