Three Tomatoes Catering, the First Company in the Industry to Offer Full-Service Catering Online Booking and Free Consultations for Event Catering Announces Convenient and State-of-the-Art Options

February 17, 2022 · 3 min read

DENVER, CO / ACCESSWIRE / February 17, 2022 / For events in the Denver area, [Three Tomatoes Catering](#) offers a one-stop-shop approach to catering. The Denver-based company recently announced their booking system was prepared to offer full-service catering, and their team has already provided excellent care to hundreds of clients within the first 12 months of launching. They note that the online solution empowers clients. With a high level of experience in the catering industry, the local business has been offering top-of-the-line food services since 1977.

Three Tomatoes Catering offers all-inclusive catering menus that make it possible to serve guests of any kind. The company offers a wide range of delicious foods, allowing for online orders and deliveries.

"We are dedicated to food that will provide extraordinary experiences," [says Three Tomatoes Catering CEO Riccardo](#)

Zuckerberg says WhatsApp business

this solution in response to requests from clients asking us to simplify the traditional catering process. Typically, catering requires a lot of back and forth with emails and calls. Our clients wanted a more convenient and faster process."

The business offers a number of entrées, flatbreads, pasta, buffet options, plated meals for events, meats, vegetables, and much more. Full-service catering can be ordered online for event-specific catering or food deliveries for those who want meals brought directly to their front door.

- ADVERTISEMENT -

According to Riccardo Mazzeo, the full-service catering business was the first to offer online booking for full-service catering. "We've prided ourselves on offering state-of-the-art options for service," he notes. "You can order online to ensure your event caterer is booked and avoid the hassle of an in-person meeting or call. You can also find us on Facebook, Twitter, Instagram, and Pinterest. Our top-level team will contact you to confirm and finalize any details for your events-including special requests."
